

Public Information Meeting Notice

The Shasta County Department of Resource Management as the Solid Waste Local Enforcement Agency is proposing to revise the Solid Waste Facility Permit for the Anderson Landfill, Inc. at 18703 Cambridge Road, Anderson SWIS #45-AA-0020

Date: Thursday, May 1, 2008
Time: 6:00 pm
Place: Anderson Community Center Arts and Crafts Room
1887 Howard Street, Anderson CA

The purpose of this meeting is for the Department of Resource Management to provide residents of Shasta County information regarding the proposed revision of the Anderson Landfill's Solid Waste Facility Permit.

The proposed change is a 1 to 9.5 foot elevation increase over an approximate 12 acre area to facilitate closure of this area in 2008. This specific area is delineated in the proposed permit revision and is detailed in Drawing 4a of their Report of Disposal Site Information which will be available at the meeting, at our office, and the landfill office.

The application for permit revision was received April 16, 2008. County staff has reviewed the application package and has deemed it complete and correct pursuant to applicable regulations on April 18, 2008. With this determination we will forward a proposed permit with this revision and the accepted application package to the California Integrated Waste Management Board for concurrence at their June meeting. After their concurrence, we would then issue the permit.

This meeting is for all interested parties to provide comments on the Local Enforcement Agency's proposed action to revise the Solid Waste Facility Permit for the Anderson Landfill. County staff and Anderson Landfill staff plan to introduce the project at the beginning of the meeting. Residents can provide comments, ask questions, and review landfill documents. Comments may be submitted directly to the Shasta County Department of Resource Management. A summary of all comments received at this meeting will be forwarded to the California Integrated Waste Management Board.

Additional information can be obtained by contacting the Shasta County Department of Resource Management, Environmental Health Division at 1855 Placer Street, Suite 201, Redding CA 96001 530/225-5787 8am – 5pm, Monday through Friday.

Additional information can also be obtained by contacting the Anderson Landfill, Inc. 18703 Cambridge Road, Anderson, CA 96007 530/347-5236 8am-4pm, Monday through Friday.

Public Resources Code, Section 44307 allows for appeals from the date of issuance of a permit contested by the applicant or any person requesting the enforcement agency to review an alleged failure of the agency to act as required by law or regulation. A hearing shall be held in accordance with the procedures specified in Section 44310.
